NOTE: The application fee must include fees for all applicable applications and reviews required. An application for construction of a residence, for instance, which does not meet setback requirements, will require a variance. Application fees would then include the residential fee for the square footage of construction (\$50.00 minimum fee), plus the \$50.00 fee for a residential variance, plus the \$100.00 publication fee for the notice of hearing. If you have questions regarding the application forms or the fees, please contact Deborah Feldman, Zoning Administrator at 496-2312.
