Owner(s) of Property: \_\_\_\_\_

Mailing Address: \_\_\_\_\_ Telephone: \_\_\_\_\_

Applicant(s) (if different than owner(s)): \_\_\_\_\_

Mailing Address: \_\_\_\_\_ Telephone: \_\_\_\_\_

Physical Location of Property: \_\_\_\_\_

Parcel ID Number: \_\_\_\_\_ Acreage: \_\_\_\_\_ Flood Zone: \_\_\_\_\_

Property is Located in Zoning District: [ ] Village [ ] Agricultural [ ] Commercial [ ] Preserve

I do hereby certify that the sewage disposal system or modification approved under Disposal System Construction Permit Number \_\_\_\_\_ issued by the Town of Moretown on \_\_\_\_\_ was inspected by me prior to be covered with soil, and

[ ] the system or modification was installed in accordance with the plans submitted with the application for the Construction Permit, or

[ ] the system or modification as installed varies from the plans as described below but that the variations comply with Vermont Department of Environmental Conservation Small Scale Wastewater Treatment and Disposal Rules, Subchapter 7, effective August, 2002, as amended, or

[ ] To the best of my knowledge the existing sewage disposal system was exempt from the above described Rules, that it was not reasonably possible to install a system which complied strictly with the Rules, and that the system as installed varies from the plans submitted with the application for Construction Permit as described below but that the system is reasonably designed to abate or prevent a health hazard, the surfacing of sewage, the contamination of drinking water, groundwater, and surface water, and will not adversely impact sanitary and healthful conditions for the occupants of the property served thereby or otherwise.
